MEDIA ALERT

For Immediate Release
January 10, 2015
Joplin Fire Department

Structure Fire, Mutual Aid, 5212 S McClelland, Joplin, Mo.

The Joplin Fire Department responded at 2:18 AM on Saturday, 10 January, to a request from Redings Mill FD for mutual aid to a structure fire at 5212 S McClelland, Joplin. Upon arrival engine crews were assigned to work with the RMFD attack units. Crews found moderate smoke in the structure. The fire was found in the attic and was extinguished. Crews remained on scene until 4:02 AM.

3 Fire units and 7 firefighters responded to the scene. No one was injured on the scene.
