Notice posted at 12 p.m. on this the 6th day of May, 2026. (RSMo 610.020)

KEY INITIATIVES UPDATE: FY 2026 AND FY 2027

COJ Team | May 11, 2026

KEY INITIATIVE PRESENTATION

- This presentation is the first step in the fiscal year 2027 budget process
- It will define Key Initiatives
- Presented in Fund order, beginning with a 5-month YTD financial summary with a high-level fiscal year 2026 fund balance projection
- Followed by a brief description of each department, a status update of their current fiscal year 2026 key initiatives and their proposed fiscal year 2027 ***preliminary*** key initiatives

KEY INITIATIVE PRESENTATION

- This is City Council's opportunity to review and discuss the progess made towards current key initiatives, as well as consider the proposed key initiatives for the upcoming fiscal year ***before*** the budget is developed
- The fiscal year 2027 budget will be built based on the proposed key initiatives to the extent there are available resources
- Through development of the proposed budget, the FY 2027 key initiatives will be finalized and presented to City Council during the September budget work sessions based on those available resources

KEY INITIATIVES

- What are Key Initiatives?
  - ✓ Work plan for the Department to help manage work loads
  - ✓ Focused projects to help address established City Council Goals
  - ✓ Aim to bridge the gap between current performance and future vision
  - ✓ Should be temporary, with specific start and end dates, rather than ongoing operational tasks
  - ✓ Serve as the foundation of the budget

KEY INITIATIVE PRESENTATION

- One important piece of good decision-making is understanding that today's decisions impact the future ability to provide quality services
- Financially sustainable decision-making is forward looking at the long-term impact on the City as a whole, rather than piece-meal decisions throughout the year
- Development of the budget, through the Key Initiatives, requires decision-making based upon the City as a whole rather than making spending decisions outside the budget process throughout the year

CVB FUND

FUND BALANCE PROJECTION

CVB

The Convention and Visitor's Bureau is responsible for promoting tourism and cultural activities in the City. The CVB positions the collective elements of the Joplin regional travel and hospitality infrastructure as a principal travel destination. Additionally, the CVB plays a significant role in creating a regional economic impact, along with various tourism industry partners, while increasing visitation to our community. The promotion of Joplin by the CVB occurs through digital, social media, and print-based platforms, as well as a sales effort to attract conventions and group tours. Administration and Special Projects are the divisions in the CVB Fund.

FY 2026 KEY INITIATIVES	STATUS UPDATE	TIMELINE
Establish a Concierge Counter with CVB	Developing design to meet functional needs	Underway
Complete the Celebrations Commission following the final 2026 events	Developing interpretive signs for Tin Cup, Ewert Park and Grand Falls	Underway: Anticipate completion by October 2026
Migrate and Transition the 2025 Visitor Profile data collection from Consultant to City staff	Electronic data collection of guests is unreliable and not feasible due to participation; CVB will continue with paper guest book	Key Initiative Removed
Implement the Strategic Promotion and Marketing Plan for tourism venues: MOmentum Bike Park, Trails, Ewert Park, Fairgrounds, Expo, Prospect Village, etc	Discussion on next steps occurred at April CVB meeting	Underway

PARKS & STORMWATER SALES TAX: STORMWATER

In 2001, the Joplin voters approved a new ¼-cent parks/stormwater sales tax to be used for specific parks and stormwater improvements in the community, which went into effect during 2002 with a sunset date of March 31, 2012. In 2011, the voters renewed this tax for various new parks and stormwater projects. This renewed tax has a sunset date of March 31, 2022. In August of 2021, the voters again renewed this tax for various new parks and stormwater projects, which was effective on April 1, 2022.

FY 2026 KEY INITIATIVES	STATUS UPDATE	TIMELINE
Inspect 500 Stormwater inlets utilizing Asset Management Software to generate data for inclusion in required MS4 Report	Staff has started inspections utilizing Asset Management Software	Underway: Anticipate completion Summer 2026

PARKS & STORMWATER SALES TAX: STORMWATER

In 2001, the Joplin voters approved a new ¼-cent parks/stormwater sales tax to be used for specific parks and stormwater improvements in the community, which went into effect during 2002 with a sunset date of March 31, 2012. In 2011, the voters renewed this tax for various new parks and stormwater projects. This renewed tax has a sunset date of March 31, 2022. In August of 2021, the voters again renewed this tax for various new parks and stormwater projects, which was effective on April 1, 2022.

FY 2027 KEY INITIATIVES
Establish Zone Map and Frequency Database for Stormwater Easement Mowing and Maintenance
Implement maintenance standards, marketing pieces and training standards to comply with stormwater MS4 permit requirements
Evaluate and prioritize Minor System Improvement Unfunded Needs List
Evaluate and update Stormwater Management Criteria

TRANSPORTATION SALES TAX FUND

FUND BALANCE PROJECTION

TRANSPORTATION SALES TAX

The Transportation Sales Tax Fund accounts for the maintenance of streets, street markings and traffic signal systems, as well as energy costs for streetlights and the public transit system. Street Maintenance, Street Cleaning, Traffic Control, Traffic Signal Maintenance, and Paratransit System are the public work's divisions in the transportation sales tax fund. The City is composed of 38.30 total square miles and has 386 miles of streets.

FY 2026 KEY INITIATIVES	STATUS UPDATE	TIMELINE
Perform Pavement Condition Analysis for a portion of the Community	City has contracted with OWN engineering to complete the assessment	Underway: Anticipate completion Summer 2026
Implement new Detection System at selected Signalized Intersections	Six intersections have been upgraded with an additional four remaining	Underway: Anticipate completion Summer 2026
Continue addition of wireless connectivity/monitoring at selected Signalized Intersections	Six intersections have been upgraded with an additional four remaining	Underway: Anticipate completion Summer 2026
Establish Zone Map and Frequency Database for Street Sweeping	Zone map is complete; Frequency data is currently being gathered	Partially complete: Anticipate completion Fall 2026
Refurbish Trolley Shelters/Stops	Refurbished trolley shelters & stops under construction	Underway: Anticipate completion Summer 2026
Evaluate Trolley Routes for improved Efficiency/Realignment/Expansion	Evaluation is complete	Complete

TRANSPORTATION SALES TAX

The Transportation Sales Tax Fund accounts for the maintenance of streets, street markings and traffic signal systems, as well as energy costs for streetlights and the public transit system. Street Maintenance, Street Cleaning, Traffic Control, Traffic Signal Maintenance, and Paratransit System are the public work's divisions in the transportation sales tax fund. The City is composed of 38.30 total square miles and has 386 miles of streets.

FY 2027 KEY INITIATIVES
Create and establish Zone Map and Frequency Database for Right-of-Way mowing
Continuation of Implementation of Asset Management System
Review and Present Design of Proposed Public Works Center
Enhance training for Snow Plow Operators by planning and implementing a Snow Plow Rodeo
Identify and Implement a Tap-to-Pay System on Transit Vehicles
Continuation of Implementation of new Detection System at selected Signalized Intersections with addition of wireless connectivity/monitoring
Upgrade School Zone Flashers to improve visibility and reliability
Create a GIS layer of Citywide Street Signs to be utilized with Asset Management Software
Conduct two Utility Summits per year with utility companies to proactively address right-of-way items; Facilitate quarterly meetings with Fiber companies working in City right-of-way
Identify damaged or abandoned utility facilities in City right-of-way and establish process for notification and tracking status of repairs or removals

CAPITAL IMPROVEMENT SALES TAX

In 2004, the Joplin voters approved a new 3/8-cent capital improvement sales tax to be used for specific capital improvements in the community, which went into effect during 2005 with a sunset date of December 31, 2014. In 2014, the voters renewed this tax for various new capital improvement projects. This renewed tax has a sunset date of December 31, 2024. In April of 2024, the voters renewed this tax for a period of 12 years for various new capital improvement projects.

FY 2026 KEY INITIATIVES	STATUS UPDATE	TIMELINE
Capture GIS Infrastructure information from outside consultants on upcoming Capital Improvement Projects	GIS as-built shapefile deliverable section has been added to scope of services	Ongoing

CAPITAL IMPROVEMENT SALES TAX

In 2004, the Joplin voters approved a new 3/8-cent capital improvement sales tax to be used for specific capital improvements in the community, which went into effect during 2005 with a sunset date of December 31, 2014. In 2014, the voters renewed this tax for various new capital improvement projects. This renewed tax has a sunset date of December 31, 2024. In April of 2024, the voters renewed this tax for a period of 12 years for various new capital improvement projects.

FY 2027 KEY INITIATIVES
Continuation of internal recording of infrastructure information in GIS layer provided by outside consultants on upcoming Capital Improvement Projects
Research and develop new or additional types of Beautification elements for possible inclusion in future CIST projects and ensure Beautification elements are included in all CIST Projects

COMMUNITY PLANNING FUND

FUND BALANCE PROJECTION

PLANNING

The Community Planning Fund accounts for the planning and development aspects of the City. The Planning Fund is made up of various grant funded activities such as Department of Housing and Urban Development (HUD) grants, the Metropolitan Planning Organization (MPO) grant and the Historic Preservation grant, as well as Planning and Zoning. Planning and Zoning provides assistance in zoning regulations, subdivision codes and land development requirements for our community. The HUD grants are 100% grant funded, while the MPO grant is 80% funded and the Historic Preservation grant is 60% funded.

FY 2026 KEY INITIATIVES	STATUS UPDATE	TIMELINE
Continue Construction of 10 units for at-risk population (HOME-ARPA)	Project is currently meeting scheduled timeline	Underway: Anticipate completion Spring 2027
Sidewalk Program Installation: CDBG-DR and CDBG Entitlement (Census Tract 110 and LMI Neighborhoods)	Design phase underway; Project will be bid in Fall of 2026	Underway: Anticipate completion in Fall of 2027
Continue & Complete Construction of 1st Rental Development (HOME)	Project is currently meeting scheduled timeline	Underway: Anticipate completion October 2026
Coordinate Transition of System of Care work group deliverables to new Homelessness Director	System of Care deliverables reviewed and committee work will resume as planned for 2026	Ongoing
Conduct Historic Phase I and II Surveys for North Heights (Historic Preservation)	Project is currently meeting scheduled timeline	Phase I & II Survey to be completed by December 2026

PLANNING

The Community Planning Fund accounts for the planning and development aspects of the City. The Planning Fund is made up of various grant funded activities such as Department of Housing and Urban Development (HUD) grants, the Metropolitan Planning Organization (MPO) grant and the Historic Preservation grant, as well as Planning and Zoning. Planning and Zoning provides assistance in zoning regulations, subdivision codes and land development requirements for our community. The HUD grants are 100% grant funded, while the MPO grant is 80% funded and the Historic Preservation grant is 60% funded.

FY 2026 KEY INITIATIVES	STATUS UPDATE	TIMELINE
Present recommended updates to Sign Code	Staff is drafting proposed changes to Sign Code for internal review	This item is on hold as other projects have been prioritized first
Train and Setup the Planning and Engineering Module in Central Square Software System	Planning and Finance staff currently working with outside consultant to develop work plan	Underway: timeline being developed
Update the Comprehensive Plan and Develop a Downtown Plan	RFP for Plans will be released in May	Underway
Develop a Bike & Pedestrian Corridor Management Plan	This item is included in the Active Transportation Plan Update and is underway	Underway: Anticipate completion Spring 2027
Develop a Complete Streets Construction Standards Manual	This item is included in the Active Transportation Plan and is underway	Underway: Anticipate completion Spring 2027
