SECTION 00 11 16 – INVITATION TO BID

SEALED BIDS for construction of Joplin ARPA Stormwater Project – Group B for the CITY OF JOPLIN, MISSOURI will be received by the CITY OF JOPLIN, MISSOURI at Public Works Department, 602 S. Main Street, Joplin, Missouri, until 10:00 A.M., October 15th, 2024. Bids will then be publicly opened and read aloud in the 5th Floor Council Chambers at this same address.

A mandatory pre-bid meeting will take place on September 25th, 2024 at 10:00 a.m. in the 5th Floor Council Chambers at this same address

The Project generally consists of three (3) project sites. Each site is described further below:

**Site G23-00749 – 26th Street** consists of storm sewer, box culverts, and open channel improvements to improve stormwater conveyance and prevent channel erosion including: 777 CY of unclassified excavation, 82 LF of 10'x4' precast concrete box culvert, 4 Type 'C' Curb Inlet, 10 LF of 24" diameter reinforced concrete pipe, 624 SY of 12" D50 rock blanket, 339 SY of 18" D50 rock blanket, 22 CY of Class B-1 concrete for concrete wingwalls and aprons, 175 LF of Type A Guardrail, 546 SY of asphalt pavement replacement and all other miscellaneous work required for completion of the project.

**Site H23-00749 – 12th and Wall** consists of an inlet, box culvert, channel grading and sanitary sewer replacement to improve the deteriorating condition of the box culvert along the alley between 12th and 13th Street. Project site quantities include: 387 LF of 6'x3' concrete box culvert, 11 LF of 12" PVC sanitary sewer, 2 48" Concrete Manholes, 7 CY of Class B-1 Concrete culverts, 1 Type 'E' Grate Inlet, 1 Type 'C' Curb Inlet, 12 LF of 12" diameter reinforced concrete pipe, 270 LF Type S Concrete Curb, 597 SY of Asphalt Pavement Replacement, 978 SY Concrete Sidewalk Replacement, 60 SY of ADA Ramp Replacement, 125 SY Concrete Driveway Replacement, 16 CY of Unclassified Excavation, 831 SY of Surface Aggregate and Base, and all other miscellaneous work required for completion of the project. Bids will also be received for an Add Alternate which consists of box culvert, headwall, and earthwork to improve stormwater conveyance south of 13th Street. Project site quantities include: 45 LF of 6'x3' concrete box culvert, 82 LF of Type S Curb, 88 CY of unclassified excavation, 381 CY of haul off, 156 SY of Erosion control blanket, 55 SY of 9" D50 rock blanket, 257 SY of mill and overlay, and 3 CY of Class B-1 Concrete culverts.

**Site I23-00749 – Massachusetts and Murphy** consists of drainage and streambank improvements along an existing channel within a City of Joplin park located between Murphy Boulevard, 15th Street, Massachusetts Avenue, and New Hampshire Avenue. Improvements include, 512 SFF of segmental block retaining wall, 24 LF of 60" RCP, 191 SY of D50=12" rock blanket, 82 SY of concrete trickle channel, 54.2 CY of class B-1 concrete (culverts), 90 LF of handrailing, 50 LF of 10" sanitary sewer pipe, 1300 SY of rain garden, 78 CY of rock infiltration trench, 518 LF of 6" perforated PVC pipe, 131 LF of 6" non-perforated PVC pipe, landscaping, and all other miscellaneous work required for completion of the project.

To obtain DIGITAL Plans and Specifications, please log on to https://www.ipdservices.com/clients/tristate/" . Digital download cost is $35.00 which may be paid online via a credit card. Paper copy Plans and Specifications may be secured for a non-refundable fee in the amount of $250.00 per set from the Issuing Office of Tri-state Area Contractor's Association located at 1216 Illinois Avenue, Joplin, MO 64801 or by telephone at 417-627-9392. Only subscribing members have access to download those documents on the plan room but plans can be sent to non-subscribers via the plan room upon receipt of payment and they are added to the plan holder list at that time.

PLEASE NOTE: It is the sole responsibility of all planholders, whether or not they have received digital downloads or paper copies of the plans and specifications, to return to the Plan Room (https://www.ipdservices.com/clients/tristate/) periodically to check for Addenda which may have been posted. Neither the Owner nor Engineer have any responsibility for the accuracy, completeness or sufficiency of bid information obtained from sources other than as indicated in these documents. Obtaining these documents from any other source(s) may result in incomplete and inaccurate information and may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

*Nondiscrimination in Employment: Bidders on this work will be required to comply with the President's Executive Order Number 11246. Requirements for bidders and contractors under this order are explained in the specifications.*

The Owner reserves the right to waive any informalities or minor defects or to reject any or all bids and to re-advertise and to rebid.

Each Bidder must deposit with his bid, security in the amount of five percent (5%) of his base bid, which is subject to conditions provided in the Instructions to Bidders.

No Bidder may withdraw his bid within ninety (90) calendar days after the actual date of the opening thereof.

Attention of the Bidder is particularly called to the requirements as to conditions of employment to be observed, and that the Bidder must comply with the payment of hourly wage rates, including all fringe benefits, as established by Sections 290.210-340, RsMO, as amended in 1993, pertaining to the prevailing hourly rate of wages and including fringe benefits, as established by the Department of Labor and Industrial Relations of the State of Missouri. A copy of the determination is provided within the Supplemental General Conditions.

Bidders on this work will be required to comply with the City of Joplin's Affirmative Action Program set forth in City Council Resolution No. 81-57, Sections VI and VII.

Bidders with questions concerning this Invitation may contact Eric Shelton, P.E. Olsson, Inc. at (417) 890-8802

or

Dan Johnson, Director of Public Works
City of Joplin, Missouri
