City of **JOPLIN** City Council Agenda Item

Requested Council Meeting Date: January 3, 2017
Council Bill No. 2017-100

Item: Work Authorization AMA Rehab ’15 & ’16 SS - 3 with Allgeier, Martin & Associates Inc., for Engineering Services Associated with Existing Lift Station Pump Control Panel Replacement.

Originating Department: Public Works – Engineering

Attachments: 1) Work Authorization (WA)
2) Council Bill No. 2017-100

Department Head: Nicholas A. Heatherly
Finance Department: Leslie Haase
City Attorney: Peter C. Edwards
City Manager: Samuel L. Anselm

Recommended Action: Approval of a Work Authorization with Allgeier, Martin & Associates Inc. in the not to exceed amount of $24,900.00 for engineering services associated with Existing Lift Station Pump Control Panel Replacement.

Background: In response to an RFQ which contained a reference to “Sanitary Sewer Rehabilitation Projects 2015&16,” the City of Joplin entered into an Agreement for Professional Engineering Services with Allgeier, Martin & Associates (AMA) on June 29, 2015, for work associated with various improvements to existing pump stations within the sanitary sewer collection system. As a continuation of the originally envisioned project, City staff have identified a need for additional engineering services in light of repetitive maintenance issues.

Discussion: The relevant scope of services within the original Work Authorization (No. AMA Rehab ’15 & ’16 SS – 1) related to the installation of remote monitoring equipment at sanitary sewer pump stations. The scope within this WA addresses the need to replace faulty and obsolete control panels for the pumps at five of the City’s lift stations around town. Approval of this Work Authorization will be consistent with the goal of providing uninterrupted services to users of the City’s sanitary sewer system.

Recommendation: City staff recommends approval of Work Authorization AMA REHAB ’15 & ’16 SS - 3 with Allgeier Martin & Associates Inc. for the not to exceed amount of $24,900.00 for engineering services associated with Existing Lift Station Pump Control Panel Replacement be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
