Comments from City Council:
Mayor Shaw asked City Manager Anselm to check on the information on the AARF truck that Mr. Copple discussed.

Mrs. Reid Adams stated there was cut-out in the street at 28th and Wall Streets and asked that the City take care of it. She also stated there are speeding motorists who continue to pass stopped school buses at 36th and Wisconsin; she stated something needs to be done to stop this.

Mr. Stinnett asked Mr. Anselm if he knows what type of lighting Liberty (Empire) is using when replacing street lights that have gone out (halogen or LED). Mr. Anselm stated he did not know for sure, but he would find out. Mr. Stinnett remarked on the number of street lights that still need to be installed. When the public safety sales tax was proposed, an additional 3700 lights were needed. He stated a report from Liberty indicated there is a remaining need of 199 lights that need to be installed to complete the neighborhoods. Mr. Stinnett stated he did not agree that 199 lights were enough, however, he encouraged the City to ask Liberty/Empire, or for the city

council to ask the city manager, to move forward and install the remaining lights. Mr. Stinnett believes there is enough money in the public safety sales tax fund to cover this request.

Mr. Stanley stated the City Council was well represented by Council Members Brown, Monteleone and Stanley at the 2018 Table Tennis Championship City Challenge against the Joplin Police Dept. He did not disclose the name of the winners because there will be a trophy presentation at the November 19, 2018 council meeting. Mr. Stanley said it was a fun and well-organized event.

Mr. Monteleone stated he attended the memorial service at United Hebrew Congregation on Friday, November 2. He also stated that Council Member Reid Adams attended the service.

Mrs. Reid Adams stated she had a great time when she attended the Fireman's Ball on Saturday, November 3. The event is for a good cause: Christmas With Kids program.

Mayor Shaw asked the city manager to follow-up on the street lights project.

Mayor Shaw congratulated the Joplin High School Eagles for their 9-2 season and wished them well at the district championship this Friday, November 9.

Mayor Shaw mentioned that Paula Baker, CEO for Freeman Health, was at City Hall last week to announce the theme of this year's Christmas parade (Santa's Workshop) and to receive a proclamation thanking them on their fifth year of sponsoring the parade.

Vote to go into closed session, which shall pertain to legal action, causes of action, or litigation including a public governmental body and any confidential or privileged communications between a governmental body or its representatives and its attorneys pursuant to state law, and to discuss leasing, purchase or sale of real estate by a governmental body where public knowledge of the transaction might adversely affect the legal consideration thereof, pursuant to state law; as set forth in Section 610.021 (1) (2) RSMo, as amended, 2017.
