SUMMARY
This Council Bill will approve a Work Authorization between the City of Joplin and Allgeier, Martin and Associates Inc. to provide professional engineering consulting services in the not to exceed amount of Ninety-Eight Thousand and 00/100 Dollars ($98,000.00).

BACKGROUND
During the 2026 budget process, priority projects were identified at both wastewater treatment plants and 26 lift stations. The proposed projects will address infrastructure rehabilitation or replacement needs and safety concerns in FY2026. Electrical improvements will be grouped together for bidding purposes. These projects include replacement of motor control centers and automatic transfer switches, including (MCC-2) at the Shoal Creek Wastewater Treatment Plant, (MCC-1), (MCC-2), (MCC-3), and (MCC-4) at the Turkey Creek Wastewater Treatment Plant, as well as 16 automatic transfer switches at various lift stations. Allgeier, Martin and Associates Inc. was selected from the City's on-call consultant list to provide engineering services for this project.
