SUMMARY
This Council Bill approves the issuance of a Purchase Order to Henderson Products, Inc., (MODOT Contract # IFB605C018000696) in the amount of Two Hundred Thirty-Four Thousand Six Hundred Fifty-Eight and 12/100 Dollars ($234,658.12) for the purchase of one (1) 2027 Freightliner 108SD+ Tandem Axle Dump Truck with Henderson Anti-Ice Package.

BACKGROUND
During the FY 2025-2026 Budget process Council appropriated funds for Public Works to purchase one (1) new 10-Wheeler Dump Truck with anti-ice package. This purchase increases the anti-ice fleet size to three (3) vehicles which will improve product application time by approximately 1/3rd. The new dump truck will be multi-functional. In addition to its anti-ice capabilities, it comes outfitted for a front plow and spreader box when those attachments are needed. To obtain the best pricing department staff utilized MODOT contract #IFB605C018000696 with Henderson Products, Inc. The 2027 Freightliner 108SD+ Tandem Axle Dump Truck with Henderson Anti-Ice Package meets city specifications and represents the latest in modern snow fighting technology. Due to increases in the price of production over the past nine months, the purchase price of this truck is above the appropriated amount approved by council in the FY 2025-2026 budget and requires a budget amendment of $31,355.00.
