SUMMARY
This agreement is for the Engineering Design Services to relocate the GA Entrance Road on the north side of Highway 171 to match the entrance to the Airpark Business Centre'. The amount of this grant is One Hundred Twenty-Nine Thousand Nine Hundred Forty-One Dollars ($129,941). The amount of local matching funds is Fourteen Thousand Four Hundred Thirty-Eight Dollars ($14,438) making the total contract cost for the design project $144,379.

BACKGROUND
As part of the current Airport Master Plan the GA Terminal Plan reflects a relocation of the Entrance Road to match the entrance to the South Industrial area. This relocation provides a more accessible opportunity for on-airfield development along with the opportunity to provide a Traffic Signal to control access to the Airport and the Industrial site. Senator Ron Richards was responsible for a $1 Million commitment from MoDOT for this project.

FUNDING SOURCE
The Local Match Share will come from the Transportation Sales Tax (TST).

RECOMMENDATION
Staff recommends adoption of this Council Bill on an Emergency basis, being an ordinance relating to public improvement, within the meaning of Section 2.12(6) of the Home Rule Charter of the City of Joplin, Missouri, and, as such, this Ordinance shall become effective immediately upon its passage.
