CB2026-103, Ordinance, Sales Quotation from Henderson Products, Inc. (MODOT Contract #IFB605C018000696)

REVIEWED BY
Director of Public Works, Daniel Johnson; Director of Finance, Leslie Haase; City Attorney, Peter Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

SUMMARY
This Council Bill approves the issuance of a Purchase Order to Henderson Products, Inc., (MODOT Contract # IFB605C018000696) in the amount of Five Hundred Three Thousand Seven Hundred Ninety-nine and 38/100 Dollars ($503,799.38) for the purchase of two (2) 2027 Freightliner 108SD+ Single Axle Dump Trucks with Henderson Comprehensive Snow Removal Package.

BACKGROUND
During the FY 2025-2026 Budget process Council appropriated funds for Public Works to purchase two (2) replacement snowplows. Plows being replaced are a 2008 International (Equip# 2071) and a 2010 International (Equip# 2220). To obtain the best pricing and ensure timely delivery, staff utilized MODOT contract #IFB605C018000696 with Henderson Products, Inc., to purchase suitable replacements. The 2027 Freightliner 108SD+ Single Axle Dump Truck with Henderson Comprehensive Snow Removal Package meets city specifications and represents the latest in modern snow fighting technology. Due to increases in the price of production over the past nine months, the purchase price of the snowplows is above the appropriated amount approved by council in the FY 2025-2026 budget and requires a budget amendment of $43,800.00.

FUNDING SOURCE
This item is partially included in the FY 2026 Budget in the Transportation Sales Tax fund. This item includes a budget amendment to the Transportation Sales Tax fund.

RECOMMENDATION
Staff recommends approval of Council Bill 2026-103 on 1st reading.
