Structure Fire, 1302 W Cambridge, Joplin, Mo.

The Joplin Fire Department responded to a reported Structure Fire at 1302 W Cambridge at 3:44 AM, Saturday, 25 January, 2014. Fire crews arrived on the scene at 3:51 AM to find a two story wood frame structure with light smoke showing from a small fire at the rear of the structure, extending up the exterior wall. Crews used a hand line to extinguish the fire and used a fan to remove smoke from the house. Crews remained on scene until 4:49 AM on Saturday, 25 January.

Home ownership information was unavailable.

No injuries were reported to either fire personnel or others in the area. 6 Joplin Fire units and 17 Joplin Fire personnel responded as well as JPD and METS.

Resident stated her children and their friends had been smoking outside in the general area of the fire.
