STAFF ANALYSIS:

DOES THE PROPOSED SUBDIVISION COMPLY WITH THE CITY'S SUBDIVISION REGULATIONS?

Yes, see discussion below:

DISCUSSION:

The proposed subdivision is the second phase of a two-phase development, which will connect to the Northwest corner of the Emerald Glades Subdivision that is accessed through N St Louis Ave. The sixth phase of Emerald Glades will connect to the second phase of the Cottages, through the road which is designated as "Spruce Street" on the second phase of the Cottages. The first phase (north half) intersects Fountain Road.

The proposed lot sizes meet the minimum requirements for an R-2 District (6,000 square feet total, with at least 50 feet of ROW frontage.

Per Article 3 of the Joplin Development Code, the second phase includes West and South street connections for future developments, and the block length does not exceed 800 feet in length. The ROW meets the minimum width requirements, which are 60 feet.

Staff recommends approval of Case 002-26
