SUMMARY
This Council Bill approves the contract by and between the City of Joplin and Nelson Enterprises to remove the structures and any remaining debris, including foundation and footings, at 123 S. Ozark Ave.

BACKGROUND
The above listed address was "tagged" as a dangerous building on December 4, 2019. The structures were determined to be dangerous under sub-sections of the Dangerous Building Code (Section 26-612, Joplin City Code). On May 15, 2020, an advertisement for bids was published in the Joplin Globe with bids being received on May 29, 2020 for the removal of structures and any remaining debris, including footings and foundations. At that time, bids were received as follows:

Gator Demolition	$4,395.00
B & D Yardbuilders	$5,200.00
Big Johns	$4,999.20
Nelson Enterprises	$2,849.00

A Special Tax Bill will be issued after the demolition is completed. The Special Tax Bill acts as a lien against the property until it is paid, with the owner having five years to pay off the assessment. The bill also is a personal debt of the owner.

FUNDING SOURCE
These payments are included in the FY 2019-20 budget of the Revolving Fund.

RECOMMENDATION
City Staff recommends that the demolition removal contract be awarded to Nelson Enterprises for $2,849.00 and that it be approved on an emergency basis within the meaning of Section 2.12 (1) for the immediate preservation of public health and welfare.
