REPORTS AND COMMUNICATIONS

News from the Public Information Office

Missouri Department of Transportation is hosting a public meeting about Forward 44, a study on Interstate 44, inviting citizens to attend and provide their comments. The meeting is from 4:30 to 6 p.m. on Tuesday, July 23, at the Joplin Public Library, 1901 East 20th Street in Joplin.

City officials recognize the importance of this meeting and encourage residents to take this opportunity to hear information about I-44, which runs through our community, and then provide their thoughts to help shape its future.

The public can also provide comments online at modot.org/forward44 through Aug. 21. Forward 44 is a comprehensive environmental study focused on 250 miles of Interstate 44 from the Oklahoma state line to the Route 100 east interchange just outside of St. Louis.

Just a friendly reminder! The City's monthly tree limb and brush drop-off site will be open this Friday, July 19 and Saturday, July 20. It will be open from 8:30 a.m. to 3 p.m. And the weather will be cooler so yardwork won't seem impossible.

The drop-off site is located at 1702 North Schifferdecker Avenue, six-tenths of a mile north of Belle Center Road on the west side of Schifferdecker. This free drop-off service cannot accept leaves, grass clippings, treated wood, railroad ties, or construction debris and it is not intended for commercial tree trimming/removal service providers or contractors.

The Drop Off site is open the third Saturday of the month and the preceding Friday through October.

I know many people think that after the July 4th holiday, summer is almost over—but it's really not! So now's the time to think about how you want to spend some of your free time – or share experiences with your family.

There are still a lot of activities and fun things taking place, so we encourage everyone to be tourists in their home town. This is the week of Downtown Joplin's 3rd Thursday event, and it's the annual Waterfest theme, so it should be fun and maybe a little wet, too!
Joplin Outlaws Baseball Team is back in town for a nine-day home stand at Joe Becker Stadium. There's a different theme for each game, so be sure to check that out.

This Saturday, July 20th, Wildcat Glades Water Fest takes place along Shoal Creek. Brought to you by Wildcat Glades Nature Group, Stealth Creative, Missouri American Water, the Missouri Department of Conservation, and Joplin Parks and Recreation, this event is fun for the whole family. There will be cardboard boat races, shoebox boat races, a rubber duck race, a fishing derby, food trucks, and more than 20 booths from local vendors or organizations.

JoMo Jammin' Music Festival continues this Saturday and next Saturday, hosted by Connect2Culture. This summer music festival celebrates local talent and features two area bands each Saturday. It's held inside the Hall at the Cornell Complex.
Many other organizations offer classes, programs and events.

George Washington Carver National Monument hosts activities year-round, Joplin Arts District sponsors the 1st Thursday Artwalk each month, and Wildcat Glades always has classes and learning opportunities for all ages.

Other options are available through Joplin Parks and Recreation with leagues and programs; MoKan Dragway holds races every weekend and creates excitement with featured guests, and our Public Library definitely can keep everyone in the family busy with their activities, groups and scheduled events. Connect2Culture ignites a passion for arts, culture, and entertainment and does a great job of sharing news about all the arts in our community. Joplin Downtown Alliance sponsors 3rd Thursday, brings Empire Market and its experiences, and continues to offer programs and events that all can enjoy.
