Voluntary Annexation Procedures

The voluntary annexation of land into the City of Joplin requires procedures established by the Missouri State Statutes. This section of the law is attached for your use. To further assist in the procedures, the following checklist is provided.

1. The property to be annexed must be compact and contiguous to the existing boundaries of the City of Joplin. This must be determined to ensure that there are no unincorporated areas between the area to be annexed and the City of Joplin.

2. If the requested annexation area consists of single or multiple tracts of land a Petition requesting the annexation must be signed by all the owners of all fee interests of record in all tracts of real property to be annexed. This means that both a husband and wife must sign, however, a mortgage holder such as a bank does not need to sign. Please note that all signatures must be notarized. A form is included in this packet for your use.

3. The petition must be filed with the office of the City Attorney for verification. Attached to the petition must be a legal description describing the boundary of the property requested for annexation.

4. The petition will be referred to the Planning and Zoning Commission and City Council for Public Hearing. This will determine the ability of the City to provide services within a reasonable amount of time and whether the land is reasonable and necessary for the development of the City.

5. If there are no written objections filed within fourteen (14) days by two (2) qualified voters in the area or by at least two percent (2%) of the qualified voters of the City, then, the City may complete the annexation by the adoption of an ordinance.

6. Upon completion of the above process, the City will file notice of the annexation with the County Clerk's Office in the county in which the annexed property lies.

Note: If you have any questions, you may call the Planning Division at 417-624-0820, ext. 1511, or email Zoning-Planning@JoplinMO.org for assistance.
