City of Joplin
Zoning-Planning

We are requesting rezoning of the property at 8125 E. 26th Street, Joplin, MO 64804 because the building is housing a Manufacturing Company. The impact would bring the Company up to zoning requirements per the City. No impact to traffic conditions or danger of fire hazards. The proposed change will not affect the character of the surrounding properties since the building has been here for 14 years. This will benefit the City because the Company is planning an expansion to manufacture batteries for the U.S. Navy.
