This Reciprocal Easement Agreement ("**Easement Agreement**") is made this __ day of _____, 2024, by First Street Development, LLC, a California limited liability company ("**FSD**") and the City of Joplin, Missouri (the "**City**").

RECITALS

A. FSD is the owner of certain real property located in Jasper County, Missouri and more accurately described on **Exhibit "A"** ("**Lot 9-10 Parcel**") attached hereto and incorporated herein by this reference.

B. FSD is the owner of certain real property located in Jasper County, Missouri and more accurately described on **Exhibit "B"** ("**Lot 7-8 Parcel**") attached hereto and incorporated herein by this reference.

C. The Lot 9-10 Parcel, and the Lot 7-8 Parcel are sometimes referred to herein individually as a "**Parcel**" and collectively as the "**Parcels**."

D. FSD desires to convey a certain easement for ingress, egress and access over, under, through, upon and across each Parcel.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, FSD does declare and reserve the following:

1. Grant of Access Easement; No Public Dedication.

A. FSD hereby declares a non-exclusive easement for the purpose of ingress and egress over, upon across the Lot 7-8 Parcel and the Lot 9-10 Parcel in the locations depicted on **Exhibit "C"** attached hereto and made a part hereof and more particularly described on **Exhibit "D"** attached hereto and made a part hereof (the "**Access Easement**"). The Access Easement shall be for the use of each Parcel by FSD and any person or entity that becomes the record owner of fee title to either Parcel (each such person or entity, and FSD, are referred to herein individually as an "**Owner**" and collectively, as "**Owners**"), together with (i) the Owners' employees, agents, invitees, and licensees, including, without limitation, (ii) the employees, agents, invitees, and

licensees of any tenant of the Owners (collectively, "**Non-Owner Users**") and the employees, contractors, and agents of the City of Joplin, Missouri (collectively, the "**City Users**"), and (iii) the owners of that certain real property described as Lots 1 through 6 (inclusive) in Campbell's First Addition to the City of Joplin, Jasper, County, Missouri, together with such owners' employees, agents, invitees, and licensees (including any employee, agent, invitee, and licensee of any tenant of such owner) (collectively, the "**Adjacent Parcel Users**") that might require ingress or egress through the Access Easement, subject to the conditions herein contained.

B. FSD and the City do hereby each covenant, acknowledge, and agree that nothing contained in this Easement Agreement shall prohibit the use of the Access Easement by the public.

C. FSD and the City do hereby each covenant, acknowledge, and agree that nothing contained in this Easement Agreement is intended, nor shall any part of this Easement Agreement be construed or otherwise deemed in any way, to constitute a dedication for public use of any portion of the Parcels or the Access Easement.

2. Maintenance. Each Owner shall be solely responsible for the maintenance and replacement of that part of the Access Easement located on its own respective Parcel. Such maintenance shall include, without limitation, sweeping, washing, removal of trash, painting and restriping, repair and replacement of paving as necessary.

3. Reserved Rights. Insofar as the proper function of the Access Easement is not impaired, each Owner shall retain the right to the normal use and enjoyment of the Access Easement area for access, egress, open space or similar purpose. Each Owner may grant subsequent easements provided however that no such easement shall interfere with the rights and privileges of the other party granted herein.

4. Remedies and Enforcement.

A. In the event of a breach or threatened breach by (i) an Owner (including any Non-Owner User using the Access Easement due to the invitation of, relationship with, or agreement with such Owner) or (ii) the City (or any City User) (the "**Defaulting Owner**") of the provisions hereof, any other Owner (the "**Non-Defaulting Owner**") shall be entitled to full and adequate relief by injunction and other available legal and equitable remedies.

B. Notwithstanding the foregoing, in the event of an emergency the Non-Defaulting Owner may immediately cure a default and be reimbursed by the Defaulting Owner upon demand for the reasonable costs thereof.

C. In any legal or equitable proceeding to determine the rights of the parties to enforce or restrain the breach of this Easement Agreement, the unsuccessful party shall pay the reasonable attorneys' fees and costs of the prevailing party. The remedies set forth herein shall be cumulative and in addition to all of the remedies permitted at law or in equity.

5. Easement Runs with Land. The Access Easement is for the benefit of and appurtenant to each Parcel and also burdens each Parcel. The rights and obligations imposed by this Easement Agreement shall run with the land. The acceptance by any person or entity of any interest in the Lot 7-8 Parcel or the Lot 9-10 Parcel, or any portion of any of them, constitutes an agreement by such person or entity to perform all obligations imposed hereby and not to use, occupy or allow any use or occupancy of its property in a manner that would violate or breach any of the provisions of this Easement Agreement.

6. Successors and Assigns. This Easement Agreement shall be binding upon and inure to the benefit of the Owners and their respective successors and assigns. No third party shall be entitled to enforce any term, covenant or condition of this Easement Agreement, or have any rights hereunder.
