Recommended Action: Approval of Contract with Jordan Disposal to remove the structures, and any remaining debris including foundation and footings located at 107 N. Byers.

Summary: The above listed address was "tagged" as a dangerous building on September 6, 2017. The structures were determined to be dangerous under sub sections of the Dangerous Building Code (Section 26-612, Joplin City Code). On January 5, 2018, an advertisement for bids was published in the Joplin Globe with bids being received on January 19, 2018 for the removal of structures and any reaming debris including footings and foundations. At that time bids were received as follows.

Jordan Disposal	$ 2,789.00
Nelson Enterprises	$ 3,749.00
B&D Yardbuilders	$ 3,000.00
Neece Concrete	$ 13,675.00

A Special Tax Bill will be issued after the demolition is completed. The Special Tax Bill acts as a lien against the property until it is paid, with the owner having five years to pay off the assessment. The bill also is a personal debt of the owner.

Recommendation: City Staff recommends that the demolition removal contract be awarded to Jordan Disposal for $ 2,789.00 and that it be approved on an emergency basis within the meaning of section 2.12 (1) for the immediate preservation of public health and welfare.
