Recommended Action: Approval of an Award of Contract to Emery Sapp & Sons, Inc. for street resurfacing in the amount of one million, seven hundred nineteen thousand, one hundred thirty four dollars and fifty-nine cents ($1,719,134.59) for the 2018 Resurfacing project.

Background: City staff annually evaluates the pavement conditions of the City street system and recommends streets that need improvements. City staff determines which streets are to be resurfaced through a selection process based on traffic counts, street classifications, structural integrity and ride quality. Streets, or parking lots may be added or deleted from this list. The Annual Resurfacing Project Budget provides for these street needs. Street resurfacing consists of a 2 inch asphalt overlay.

Discussion: City staff prepared bid documents for the project. Staff followed the City's procurement policy for advertising of said project. Three construction companies submitted bids (see attached Bid Tabulation), that were opened on January 11, 2018. Emery Sapp and Sons, Inc. was the low bidder. The bid was below the Engineer's estimate.

Recommendation: City staff recommends Award of Contract to Emery Sapp and Sons, Inc. for the Resurfacing of Various Locations 2018 in the amount of one million, seven hundred nineteen thousand, one hundred thirty four dollars and fifty-nine cents ($1,719,134.59) on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
