Department Head: Nicholas A. Heatherly
Finance Department: Leslie Haase
City Attorney: Peter C. Edwards
City Manager: Samuel L. Anselm

Recommended Action: Approval of an Agreement with Allgeier Martin & Associates in the amount of $85,280.00 for the 2017 Public Infrastructure Improvements in NID # IV Phase II Project

Background:
The City allocates CDBG funding annually to make improvements to sidewalks, streets, curb & gutter, storm water and sanitary sewer system in designated neighborhoods. Since 2014, the City has focused CDBG funds towards Neighborhood Improvement District 4, which is bounded by 4th Street, to the South, Broadway to the North, St. Louis to the East, and School to the West. The attached work authorization will be used towards planning and design of a $300,000 sidewalk and street improvement project that will begin construction this summer.

The city envisions the selected firm to serve as an extension of its staff by being assigned specific projects to prepare complete design, construction and bid documents to complete the assigned projects.

Discussion:
This is a continuation previous work including sanitary sewer, storm sewer work, rehab of streets and sidewalks of the Infrastructure improvements in NID 4.

Recommendation: Staff recommends approval of an Agreement with Allgeier Martin & Associates in the amount of $85,280.00 for the 2017 Public Infrastructure Improvements in NID # IV Phase II Project to be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
