INTRODUCTION:

The Joplin Police Department requests consideration of this Council Bill. This request, if approved, would authorize a contract between the City of Joplin and the Missouri Department of Transportation for the acceptance and expenditure of grant funds. The grant is known as the Missouri Highways and Transportation Commission Statewide Transportation Improvement Program On Call Work Zone Enforcement Program (STIP). The total amount of the grant is $1,000, and will fund 100% of overtime salaries for Joplin Police Officers to conduct targeted enforcement in work zones.

SUMMARY/DISCUSSION:
The Joplin Police Department has received these grants for several years. The agreement is required to be renewed every four years. There are no fund matching requirements of the City of Joplin.

RECOMMENDATION:

Staff recommends approval of this proposal on an emergency basis.
