Summary: The above listed address was "tagged" as a dangerous building on September 17, 2015. The structure was determined to be dangerous under sub sections of the Dangerous Building Code (Section 26-612, Joplin City Code). On January 15, 2016. An advertisement for bids was published in the Joplin Globe with bids being received on January 29, 2015. At that time bids were received as follows:
