Highway Safety and Traffic Division
TRAFFIC ENFORCEMENT APPLICATION
October 01, 2024 through September 30, 2025

(Application due by March 01, 2024)

Agency:	Joplin Police Dept.	**Agency ORI#:**	MO0490700
Address:	303 E. 3rd St.	**Federal Tax ID#:**	446000196
		DUNS #:	HRWZCYY8MWJ3

City:	Joplin	**State:** MO	**Zip:** 64801-2316	**County:**	Jasper
Phone:	417-623-3131	**Fax:** 417-623-4604			
Contact:	Sgt. Jared Delzell	**Email:** jdelzell@joplinmo.org			
Jurisdiction:	Rural	**Jurisdiction Population:**	54,000		
Targeted Population:	All Drivers				

Project activity for which your agency is requesting funding:

Hazardous Moving Violation

Project Title:	Hazardous Moving Violation	**Requested Amount:**	$42,000.00
Brief Description:	HMV Officer Overtime

CITY COUNCIL AUTHORIZATION

On _____, 20__ the Council of _____

_____ held a meeting and discussed the City's participation in Missouri's Highway Safety Program.

It is agreed by the Council that the City of _____ will participate in Missouri's Highway Safety Program.

It is further agreed by the Council that the Chief of Police will investigate the financial assistance available under the Missouri Highway Safety Program for Traffic Enforcement and report back to the Council his/her recommendations. When funding through the Highway Safety Division is no longer available, the local government entity agrees to make a dedicated attempt to continue support for this traffic safety effort.

PROBLEM IDENTIFICATION

During the last 5 years, no behavior on Missouri roadways has contributed to traffic fatalities as frequently as speed and aggressive driving. From 2017-2021, there were 2,547 fatalities involving a speeding or aggressive driver, accounting for 53% of all traffic fatalities. Speed and aggressive driving are cited in fatal crash reports as a contributing circumstance more than twice as often as impaired driving, and feedback and citation data from law enforcement agencies indicate speeds are up significantly during the last 3 years.

The Joplin Police Department investigated 4,655 traffic crashes in the city limits from 2021-2023. The City of Joplin includes city streets, several State Highways, 13 miles of IS 44, and a section of IS 49 / MO 249.

Of the 4,655 crashes, 795 resulted in a physical injury, and another 26 resulted in a fatality. Of the 795 crashes that resulted in a injury or a fatality, 71 had excessive speed as a contributing factor. Additionally, in 2023 the Joplin Police Department contacted 16,098 drivers for moving violations. Of those, 3,583 drivers received at least one citation for a traffic offense.

Citizen Surveys indicate that the number one concern of our populace are hazardous moving violations, including speed, improper lane use, traffic signal violations, and pedestrian violations.

The City of Joplin is incorporated in two separate counties, Jasper and Newton. According to the MSHP for the time period 2020 through 2022, Jasper County responded to 716 speed related crashes and ranked 13th in the state. Newton County worked 582 and ranked 20th in crashes where speed was a factor. Between the years 2020 and 2022 the Joplin Police Department worked 282 speed related crashes and was ranked 23rd in the state. During this same time period, the Joplin Police Department investigated 4,830 total traffic crashes, which ranked 7th in the state for overall crashes.

GOALS/OBJECTIVES

Core Performance Measure Goals:

Based on a goal of 0 fatalities by 2030, Missouri is setting a five-year average fatality target of 897.6 by December 31, 2026.

Based on a goal of 0 serious injuries by 2040, Missouri is setting a five-year average serious injury target of 4,486.1 by December 31, 2026.

Based on a goal of 0 fatalities by 2030, Missouri is setting a five-year average speed related fatality target of 293.8 by December 31,2026.

It is the goal of the Joplin Police Department to deploy officers on overtime into high crash areas . Officers will contact drivers for various violations with an emphasis on hazardous moving violations, those violations that cause injuries and fatalities. Our focus it to evaluate problem locations and respond with enforcement, education and visibility.

PROJECT DESCRIPTION

Our goal is to deploy officers on overtime into high crash areas .

Officers will contact drivers for various violations with an emphasis on hazardous moving violations , Those violations that cause injuries and fatalities.

The Traffic Supervisors will compare crash rates to enforcement and create and direct resources to those area to respond to the crashes. They will also use previous data to deploy enforcement in areas projected to have crash volumes.

Officers will be highly visible in high crash and violation areas to prevent crashes . Social media will be used to inform the public of these efforts.

Grant funds to be used to pay for officers overtime and fringe benefits working under this project .
For large scale enforcement events requiring an extra dispatcher, overtime and fringe would be used under this project.

SUPPLEMENTAL INFORMATION

Question	Answer
You must answer the following questions.	
1 Does your agency have and enforce an internal safety belt policy for all personnel?	Yes
2 Does your agency have and enforce a policy restricting cell phone use while driving?	Yes
3 Does your agency report racial profiling data annually?	Yes
4 Does your agency report to MOCARS?	Yes
5 Does your agency report MIBRS information annually?	Yes
6 Please explain any NO answer(s) to questions 1-5:	
7 Have any of your officers/personnel been debarred and are therefore not eligible to receive federal funds for reimbursement of salary, fringe benefits, or overtime?	No
8 Does your agency have adequate manpower to fully expend the funds requested in this application?	Yes
9 If NO, please explain.	
10 Have any significant changes occurred with your agency within the last year that would affect performance, including personnel or system changes?	Yes
11 If YES, please explain.	

We have filled nearly all of our vacant positions, with several officers at different phases of training, We are on track to be completely filled within the next year. This will have more officers available for overtime than we have seen available in four years. The agency is in a good position to commit to the requested funds.

12 Are you aware of any fraud, waste or abuse on grant projects in your office/agency within the last 5 years?	No
13 If YES, please explain.	
14 If your agency received Highway Safety grant funding in the last three (3) fiscal years and there were unexpended balances, please explain why.	

2022 - Due to vacancies we had unexpended funds.
2023 - We requested extra funds twice and expended all of them.
2024 - We used our original funds, requested more and are on track to fully expend those.

15 Did your political entity receive more than 80% of its annual gross revenues in Federal Awards in your preceding fiscal year?	No
16 Did your political entity receive $25,000,000 or more in Federal Awards in your preceding fiscal year?	No

17 If you answered NO to either question 15 and 16, DO NOT answer this question. If you answered YES to both question 15 and 16, and the public does not have access to this information, list the names and compensation amounts of the five most highly compensated employees in your business or organization (the legal entity to which the UEI number it provided belongs).

Please use the most current 12-months of data available for answering questions 18-23. INCLUDE ALL OF YOUR AGENCY'S STATISTICS, NOT JUST THOSE ISSUED DURING GRANT ACTIVITY.

18 Total number of DWI violations written by your agency.	329
19 Total number of speeding citations written by your agency.	636
20 Total number of HMV citations written by your agency.	3134
21 Total number of child safety/booster seat citations written by your agency.	19
22 Total number of safety belt citations written by your agency.	291
23 Total number of warnings issued.	13288

Use the most current three years crash data from the Missouri State Highway Patrol (MSHP) or your internal record management system for questions 24-34.

24 Total number of traffic crashes.	4830
25 Total number of traffic crashes resulting in a fatality.	29
26 Total number of traffic crashes resulting in a serious injury.	1066
27 Total number of speed-related traffic crashes.	277
28 Total number of speed-related traffic crashes resulting in a fatality.	11
29 Total number of speed-related traffic crashes resulting in a serious injury.	101
30 Total number of alcohol-related traffic crashes.	163
31 Total number of alcohol-related traffic crashes resulting in a fatality.	7
32 Total number of alcohol-related traffic crashes resulting in a serious injury.	61
33 Total number of unbuckled fatalities.	21
34 Total number of unbuckled serious injuries.	29

Enter your agency's information below.

35 Total number of commissioned law enforcement officers.	112
36 Total number of commissioned patrol and traffic officers.	65

37 Total number of commissioned law enforcement officers available for overtime enforcement. 110

38 Total number of vehicles available for enforcement. 62

39 Total number of radars/lasers. 54

40 Total number of in-car video cameras. 50

41 Total number of PBTs and/or oral fluid testing devices. Please indicate the number of each type of instrument.

PBT - 36
Sotoxa - 1

42 Total number of Breath Instruments. 6

The following information explains the strategies your agency will use to address the traffic crash problem. This information is considered to be the Project Description and should be specific to the crash problem.

43 Identify primary enforcement locations.

High crash areas include:
- Range Line Road from Zora to 44th
- 7th from Schifferdecker to Northpark Lane
- 20th from Country Club to Davis
- 32nd from Central City to Prigmor
- I-44 between mile markers 0.0 to 13.4
- I-49 between FF and I-44
- MO 249 between 32nd Street and Zora
- Main Street between Zora and 50th

44 Enter the number of enforcement periods your agency will conduct each month. 2

45 Enter the months in which enforcement will be conducted.

Enforcement will be conducted 12 months of the year with routine enforcement events planned twice per month. Primary focus will be given to statewide enforcement campaigns with additional officers assigned .

46 Enter the days of the week in which enforcement will be conducted.

Enforcement will take place seven days per week with additional officers assigned for statewide campaigns.

47 Enter the time of day in which enforcement will be conducted.

The assigned times for officer enforcement may vary biased on needs or trends that we see at the time . Most of this enforcement will occur between the hours of 8am and 10pm.

48 Enter the number of officers assigned during the enforcement period. 2

49 If equipment or supplies are requested to conduct this project, explain below why it is needed and how it will be used.

No equipment requested.

PROJECT EVALUATION

The MHTC will administratively evaluate this project. Evaluation will be based, at a minimum, upon the following:

1. Law enforcement compliance with state UCR, Racial Profiling, and MOCARS reporting requirements (law enforcement contracts only)
2. Timely submission of monthly reimbursement vouchers and appropriate documentation to support reimbursement for expenditures (i.e., personal services, equipment, materials)
3. Timely submission of periodic reports (i.e., monthly, quarterly) as required
4. Timely submission of the Year End Report of activity (due within 30 days after contract completion date)
5. Attaining the Goals set forth in this contract
6. Accomplishing the Objectives* established to meet the project Goals, such as:

- Enforcement activities (planned activities compared with actual activities)
- Programs (number and success of programs held compared to planned programs, evaluations if available)
- Training (actual vs. anticipated enrollment, student evaluations of the class, student test scores on course examinations, location of classes, class cancellation information)
- Equipment purchases (timely purchase of equipment utilized to support and enhance the traffic safety effort; documentation of equipment use and frequency of use)
- Public awareness activities (media releases, promotion events, or education materials produced or purchased)
- Other (any other information or material that supports the Objectives)

7. The project will be evaluated by the Highway Safety and Traffic Division through annual crash analysis

Evaluation results will be used to determine:

- The success of this type of activity in general and this particular project specifically;
- Whether similar activities should be supported in the future; and
- Whether grantee will receive funding for future projects

The agency will compare numbers from previous years of enforcement, and response to traffic crashes to identify problem areas. We will evaluate the enforcement to the data to evaluate the project success in lowering crashes.

Additionally, we will work with stakeholders to evaluate success in problem areas by lowering crashes, Improving quality of life and input to improve workable methods

ADDITIONAL FUNDING SOURCES

See attached document labeled "2022 Joplin SA Report" for the most current data.

BUDGET

Category	Item	Description	Quantity	Unit Cost	Total	Match	Total Requested
