Joplin, MO 64801

Re: ARPA Sanitary Sewer Renovations

Dear Chris:

The bids submitted January 25, 2024 on the above referenced project have been reviewed and confirmed Municipal Pipe Tool Company, LLC, of Hudson, Iowa as the apparent low bidder. Municipal Pipe has indicated that they intend to enter into a contract with the City to build the project. Municipal Pipe appears to be capable of obtaining all necessary bonds and insurance, and performing the work specified.

It is our recommendation that the City award the construction contract for the Base Bid to Municipal Pipe in the amount of $3,618,369.07 for the sanitary sewer renovation project. A tabulation of bids and copies of the proposed Notice of Award for the work have been included for your review and use. If the City concurs with this recommendation, please fully execute and return to our office four copies of the Notice of Award.

Once the Notice of Award document is received back by our office from the City, we will submit Contract Documents to the Contractor for execution and schedule a project pre-construction conference.

Do not hesitate to call if you have any questions.

Sincerely,

ALLGEIER, MARTIN & ASSOCIATES, INC.

Garrett Wagner, P.E.
