SUMMARY
This Reimbursable Agreement provides funding for the FAA to establish services for Engineering and Construction Support of the NAVAIDS for the Runway 18-36 Reconstruction at Joplin Regional Airport (JLN) The amount of the agreement is One Hundred Seventy-Seven Thousand Eight Hundred Fifty-Nine and 42/100 dollars ($ 177,859.42) and is provided in accordance with the FAA approved project consisting of the Reconstruct of Runway 18/36 and Replace Adjacent Runway Lights.

The Joplin Regional Airport/City of Joplin must prepay the FAA an advanced payment which will be held as a noninterest bearing deposit. Such advanced payment must be received before the FAA incurs any obligation to implement this Agreement. Upon completion of this Agreement, the final costs will be netted against the advanced payment and, as appropriate, a refund or final bill will be sent to the sponsor.

BACKGROUND
The NAVAIDS at the Joplin Regional airport are owned and maintained by the FAA.
As per this agreement, the FAA will perform the following activities: 1. Provide technical assistance to the Airport to enable us to meet applicable FAA rules, regulations, orders, requirements, standards, and specifications during the construction phases of the project. 2. Provide applicable FAA directives, specifications, drawings, and other information required to assist the Airport in designing and preparing the site-specific plans and specifications for the project. 3. Perform engineering design reviews of the Airport's construction and installation activities in support of the Sponsor's project.
