Public Works - Operations

ATTACHMENTS
CB2021-162 Ordinance; Sales Quotation from Summit Truck Group

REVIEWED BY
Director of Public Works - David Hertzberg, Director of Finance - Leslie Haase, City Attorney - Peter Edwards, City Manager – Nicholas Edwards

SUMMARY
This Council Bill approves the issuance of a Purchase Order to Summit Truck Group in the amount of One Hundred Sixty-Five Thousand Nine Hundred Thirty-Eight and 11/100 Dollars ($165,938.11) for the purchase of a Pothole Patch Truck (Chassis & Body).

BACKGROUND
Due to the wear and tear on equipment, the Street Maintenance Division needs to replace a Pothole Patch Truck. The Truck being replaced is a 2000 International Pothole patch truck. This vehicle has been running hot and has parts that have finally been rusting out. The lifespan of a Pothole Patch Truck can vary but is usually around 10-12 years. Historically, vehicles and equipment replaced by the Street Division will then be declared surplus property and will be placed into the city auction.
The City is utilizing the Sourcewell bid to find a replacement for the Pothole Patch Truck. The decision was made by the Public Works Department to use the Sourcewell to purchase the Pothole Patch Truck from Summit Truck Group. This equipment meets city specification and mirrors existing equipment.
This truck was approved in the FY 2020-2021 budget.

FUNDING SOURCE
Transportation Sales Tax.

RECOMMENDATION
Staff recommends adoption of this Council Bill on an Emergency basis; being an ordinance dealing with appropriations, the availability of the equipment, to be an emergency within the meaning of Section 2.12(4) of the HOME RULE CHARTER of the City of Joplin, Missouri, and as such, this Ordinance shall become effective immediately upon its passage.
