Council Bill 2020-175 - Construction Agreement for Mill and Overlay 2021

MEETING DATE
November 16, 2020

ORIGINATING DEPARTMENT
Public Works - Engineering

ATTACHMENTS
CB2020-175 Ordinance; Bid Tabulation, Construction Agreement, Location Maps

REVIEWED BY
Director of Public Works – David Hertzberg, Director of Finance – Leslie Haase, City Attorney – Peter C. Edwards, City Manager – Nicholas Edwards

SUMMARY
This Council Bill approves a construction agreement with Hutchens Construction Company LLC an Emery Sapp & Sons Company for the milling and overlaying of streets in the amount of One Million, Two Hundred Twenty-Seven Thousand, Ninety-Seven and 92/100 Dollars, ($1,227,097.92).

BACKGROUND
City staff annually evaluates the pavement conditions of the City street system using the Pavement Surface Evaluation and Rating (PASER) system and recommends streets that need improvements. City staff determines which streets are to be resurfaced through a selection process based on traffic counts, street classifications, structural integrity and ride quality. Streets or parking lots may be added or deleted from this list. The Annual Resurfacing Project Budget provides for these street needs. Street resurfacing consists of a 2-inch milling and asphalt overlay. Much of the 2021 Resurfacing area is within the tornado zone and has seen improvements through the many Disaster Recovery Projects. As such, many streets outside of the normal 7-year rotation have been added to this year's contract.

City staff prepared bid documents for the project. Staff followed the City's procurement policy for advertising of said project. Two construction companies submitted bids (see attached Bid Tabulation), that were opened on November 3, 2020. Hutchens Construction Company LLC an Emery Sapp & Sons Company was the low bidder. The base bid and alternates bid were lower than the engineer's estimate. City staff evaluated the bids and chose to award the base bid and alternates to the contractor. City staff will provide construction inspection services.

FUNDING SOURCE
These payments are included in the FY 2020-21 budget; Transportation Sales Tax Fund

RECOMMENDATION
Staff recommends adoption of this Council Bill on First Reading and moving it to Second and Third Reading.
