SUMMARY
This council bill approves the contract by and between the City of Joplin and Prime Contracting Inc. to remove the structures, and any remaining debris and leave the foundation and footings intact located at 2617 S Pearl Ave.

BACKGROUND
The above listed address was "tagged" as a dangerous building on September 30, 2024. The structures were determined to be dangerous under sub sections of the Dangerous Building Code (Section 26-612, Joplin City Code). On October 17, 2025, an advertisement for bids was published in the Joplin Globe with bids being received on November 3, 2025, for the removal of structures and debris with all foundations and footing to remain intact. At that time bids were received as follows.

B & D YardBuilders	$ 3,524.00
Big Johns	$ 6,101.00
Kesters Dirtworks	$ 8,200.00
Prime Contracting Inc.	$3,445.00
Freeman Landworx	$6,948.00

A Special Tax Bill will be issued after the demolition is completed. The Special Tax Bill acts as a lien against the property until it is paid, with the owner having five years to pay off the assessment. The bill also is a personal debt of the owner.

FUNDING SOURCE
These payments are included in the FY 2025-26 budget of the Revolving Fund.

RECOMMENDATION
City Staff recommend that the demolition removal contract be awarded to Prime Contracting Inc. for $ 3,445.00 and that it be approved on an emergency basis within the meaning of section 2.12 (1) for the immediate preservation of public health and welfare.
