Public Works-Engineering

ATTACHMENTS
Council Bill 2024-161; Amendment #1; Original Agreement

REVIEWED BY
Director of Public Works, Daniel Johnson; Finance Director, Leslie Haase; City Attorney, Peter Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

SUMMARY
This Council Bill authorizes the City to approve an Amendment to Work Authorization dated June 22, 2023 with Olsson in the amount of Four Hundred Thirty-Eight Thousand Two Hundred and 00/100 Dollars ($438,200.00) for Construction Administration services for the ARPA Stormwater Grant Project.

BACKGROUND
Olsson was selected as the most qualified engineering firm to provide professional engineering services for the grant project. The consultant's fees are within industry standards for design, bidding, construction, and project management services during the life of the grant. The original contract assumed a construction period of 12 months with Resident Project Representative (RPR) services able to inspect 4 construction sites at once, Amendment #1 changes this period to 23 months with RPR services being provided to 2 construction sites simultaneously.

FUNDING SOURCE
This item is included in the FY 2025 Budget in the Parks and Stormwater Sales Tax fund and is being partially funded through State ARPA funds.

RECOMMENDATION
Staff recommends approval of Council Bill 2024-161, approving Amendment #1 on an Emergency basis being an ordinance relating to a public improvement, it is an emergency within the meaning of Section 2.12(6) of the HOME RULE CHARTER of the City of Joplin, Missouri and the Council hereby declares that this ordinance shall be in full force and effect from and after its passage. Specifically, adoption of this Council Bill on an emergency basis allows the additional expenditures relating to construction to be grant funded, considering the funding deadline.
