SUMMARY
This Council Bill will approve a Work Authorization between the City of Joplin and Allgeier, Martin and Associates Inc. to provide professional engineering consulting services in the not to exceed amount of Eighty-Eight Thousand and 00/100 Dollars ($88,000.00).

BACKGROUND
During the 2026 budget process, priority projects were identified at both wastewater treatment plants to address infrastructure rehabilitation, replacement needs, and safety concerns in FY2026. Proposed projects include rehabilitation of the lime silo, replacement of methane gas piping and valves, and painting of digester roofs at both the Turkey Creek and Shoal Creek Wastewater Treatment Plants. Allgeier, Martin and Associates Inc. was selected from the City's on-call consultant list to provide professional services for these projects.
