CITY OF JOPLIN
COUNCIL AGENDA ITEM

ITEM
Council Bill 2024-110 is an amendment to a work authorization between the City of Joplin and Olsson, Inc. for Glendale Parallel Interceptor Improvements.

MEETING DATE
April 1, 2024

ORIGINATING DEPT
Public Works - Engineering

ATTACHMENTS
CB2024-110 Ordinance; Amendment to Work Authorization; Exhibit Map

REVIEWED BY
Director of Public Works, Daniel Johnson; Director of Finance, Leslie Haase; City Attorney, Peter Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

SUMMARY
This Council Bill authorizes the City Manager or his designee to amend a work authorization with Olsson, Inc. in the not to exceed amount of Thirty-Seven Thousand and 00/100 DOLLARS ($37,000.00) for Glendale Parallel Interceptor Improvements.

BACKGROUND
The 2020 Facilities Plan had identified the need to upgrade the entire Glendale Parallel sanitary sewer system, which stretches from an area south of Freeman hospital, to its uppermost reaches located one block east of Connecticut Ave. See the attached Exhibit Map for reference. Now that the construction agreement with Rosetta Construction has been awarded via Council Bill 2024-101, it is now necessary to amend Olsson's work authorization so that they can provide construction support services for the job. Olsson will assist City staff with contractor submittals (review and approve shop drawings), answer contractor questions and provide as-needed expertise during construction, as well as assist with payments to the contractor. The consultant's fees are within industry standards for these services. Public Works intends to provide construction inspection and management.

FUNDING SOURCE
Sewer Fund

RECOMMENDATION
Staff recommends approval of this Council Bill on first reading.
