News from the PIO:
What truly matters to citizens as they think about their city of residence? Is it recreation and leisure activities? Feeling safe and secure? Or perhaps having smooth streets that allow large amounts of traffic to travel from one place to another? There could be dozens of different answers, and the City is asking citizens to tell us THEIR answers related to the Joplin community by taking a short survey. This survey is part of the new Priority Based Budgeting process that the City of Joplin has adopted. PBB helps ensure that resources are allocated in the best way to meet the needs of citizens. The survey asks Citizens how they would rank the priorities, and by completing this two-question survey, citizens can influence how City resources are allocated to the areas that matter most to their community. The online survey can be found on the City's website. Look for it under the Spotlight Section on the front page of www.joplinmo.org . Citizens may also complete a printed copy of the survey here at City Hall. They can pick one up at the Information Desk in our Main Lobby, complete it and return it to the box located at the desk. We encourage all citizens to fill out a survey by April 18. Results will be shared as we continue with Priority Based Budgeting Process.

If residents have personal papers they no longer need, but fear of identity theft has prevented them from disposing them, they may want to attend the Community Shred event later this month. On Saturday, April 23 the Joplin Recycling Center will host this community shredding event, in which large amounts of paper can be shredded quickly at no cost to residents. Sponsored by both the Recycling Division and Joplin Police Department, this opportunity is available between 11 a.m. and 2 p.m. when the company, *Shred-it*™ will have their truck at the Center. This is a FREE way to dispose of all those papers in a safe and efficient manner.

Tomorrow is the Municipal Election. Here in Joplin, voters will decide on City Council members and School Board members, as well as a question posed by Jasper County. We encourage citizens to please take time to vote.

Vote to go into closed session, which shall pertain to legal action, causes of action, or litigation including a public governmental body and any confidential or privileged communications between a governmental body or its representatives and its attorneys as set forth in Section 610.021(1) RSMo, as amended, 2015. This meeting, record, and vote to be closed to the extent provided by law. The City Council shall adjourn at the end of the session. Voting in favor were Council Members: Colbert-Kean, Glaze, Lewis, McCreary, Rosenberg, Scearce, Seibert, Shaw, Stanley 9. Nays: 1, Scearce.

There being no further business the meeting adjourned at 7:10 p.m.
