AMENDMENT TO OWNER-ENGINEER AGREEMENT
Amendment No. 1

1. *Background Data:*

   a. Effective Date of Owner-Engineer Agreement: November 25, 2013

   b. Owner: City of Joplin, Missouri

   c. Engineer: Tri-State Engineering, Inc

   d. Project: Project TS0617, New Stormwater System, Hill Street between Division & Mineral

2. *Description of Modifications:*

   Engineer shall perform or furnish the following Services:

Construction Phase Services:

These services shall include utility relocation coordination, surrounding resident notification, reviewing shop drawings, schedules, pay requests and supply a Resident Project Representative. We anticipate four pay requests. The construction time for the project is estimated at 4 months. We are estimating the RPR will spend 6 hours per day for 120 days during construction.

The estimated cost for construction phase services is:

Construction Management:	$18,000
Construction Observation:	$63,500
	$81,500

Post-Construction Phase Services:

These services shall include an as-built survey of the system improvements and electronic record drawings for use with the City's GIS system.

The estimated cost for post-construction phase services is: $5,500

We would perform the construction phase and post-construction scope of services for an hourly fee, not to exceed of **$87,000.**

The following shall be considered additional services:

Construction testing services
Fulltime construction observation
