3) Council Bill No. 2015-122

Department Head: Nicholas A. Heatherly Date:
Finance Department: Leslie Haase Date:
City Attorney: Peter C. Edwards Date:
City Manager: Samuel L. Anselm Date:

Recommended Action: Approval of Amendment to Consultant Agreement with CJW Transportation Consultants, LLC in the not to exceed the amount of $55,400.00 for adding additional construction management services for the Ditch and Culvert Improvements at Peters Avenue from 9th St. to 12th St.

Background: The Parks and Storm Water Sales Tax extension was approved by voters in 2011. The Ditch and Culvert Improvements at Peters Avenue from 9th St. to 12th St. was included on the list of projects approved by voters. In November of 2013, Council Bill 2013-345 was approved authorizing the execution of a contract with the firm of CJW Transportation Consultants, LLC Inc., for the purpose of providing design services related to the Ditch and Culvert Improvements at Peters Avenue from 9th St. to 12th St.

This "change order" is authorizing the second phase of work, not changing what they were originally hired to do, i.e. the survey and design phase. The original RFQ (May of 2013) stated that we had the discretion (intent) to dictate multiple phases and the additional scope of work we are having them do as part of this contract amendment was identified as a part of any future contract award . This firm was selected as part of a Qualification Based Selection evaluation process to do this work.

Discussion: The Ditch and Culvert Improvements at Peters Avenue from 9th St. to 12th St. is in the 2015 budget for construction. To facilitate the project completion City staff has chosen to use the professional construction management services of CJW Transportation Consultants, LLC Inc. This Council Bill will add additional construction management services to the CJW

Transportation Consultants, LLC Inc. contract and is for a not-to-exceed amount of $55,400.00 which brings the total design contract to $105,800.00

Recommendation: Staff recommends approval of the Amendment to Consultant Agreement with CJW Transportation Consultants, LLC in the not to exceed the amount of $55,400.00 for adding additional construction management services for the Ditch and Culvert Improvements at Peters Avenue from 9th St. to 12th St. be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
