City of **JOPLIN** City Council Agenda Item

Requested Council Meeting Date: May 15, 2017
Council Bill No. 2017-130

Item: Construction Contract with Dalton-Killinger Construction for the 8th Street & Patterson Avenue Stormwater Improvement Project.

Originating Department: Public Works – Engineering

Attachments: 1) Bid Tabulation
2) Location Map
3) Contract
4) Council Bill No. 2017-130

Department Head: David Hertzberg
Finance Department: Leslie Haase
City Attorney: Peter C. Edwards
City Manager: Samuel L. Anselm

Recommended Action: Approval of a construction contract with Dalton Killinger Construction in the amount of $184,016.00 (One Hundred Eighty-Four Thousand Sixteen and 00/100 Dollars) for the 8th Street & Patterson Avenue Stormwater Improvement Project funded through the Parks Stormwater Sales Tax.

Background: The Parks and Storm Water Sales Tax was approved by voters in 2002. A project to improve and repair the existing storm sewer system that ends at 8th Street and Patterson Avenue was included in the list of approved projects. The existing storm sewer is undersized which results in frequent flooding of Patterson Avenue and 8th Street. The proposed improvements will reduce the flooding by increasing the capacity of the storm sewers to the City standard of a 10% AEP (annual exceedance probability) storm.

Discussion: City staff followed the City of Joplin procurement policy. Bids were opened on April 13, 2017 with 10 firms bidding. Dalton-Killinger Construction provided the lowest bid which was below the engineer's estimate. The contractor will start after contracts are signed and weather permits.

Recommendation: City staff recommends approval of a construction contract with Dalton Killinger Construction in the amount of $184,016.00 (One Hundred Eighty-Four Thousand Sixteen and 00/100 Dollars) for the 8th Street & Patterson Avenue Stormwater Improvement Project be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
