SUMMARY
This Council Bill will approve an Agreement with McClanahan Construction Company, Inc. for the 2026 Miscellaneous Wastewater Treatment Plant Improvements in the amount of Nine Hundred Forty-Eight Thousand and 00/100 Dollars ($948,000.00).

BACKGROUND
During the 2026 budget process, priority projects were identified at both Wastewater Treatment Plant to address infrastructure rehabilitation, replacement needs, and safety concerns in FY2026. This project includes rehabilitation of the lime silo, replacement of methane gas piping and valves, and painting of digester roofs at both the Turkey Creek and Shoal Creek Wastewater Treatment Plants. Council Bill CB2026-117 was approved by City Council for design, bidding, and construction services for this project. In accordance with the City of Joplin's procurement policies, a request for proposal for the 2026 Miscellaneous Wastewater Treatment Plant Improvements was advertised in the Joplin Globe on April 11th, 2026, and bids were received by the City on May 12th, 2026. A total of 4 bids were received, with McClanahan Construction Company, Inc. being the lowest responsive bidder. City Staff decided to award the Base Bid and Add Alternate #2 at this time. This is a summary of the total expenditure for this item:
