Dear Committee Members,

I am pleased to submit this cover letter in support of our proposal for leasing Joe Becker Stadium, Wendall Redden Stadium, and Gene Bassman Softball Complex under Proposal 2026-RFP-18. Our partnership brings together a diverse and experienced coalition of organizations: the Joplin Jailbirds (Collegiate Summer Baseball, led by David Schmoll.), Heart of America Baseball Tournaments (operated by John Hartly, specializing in youth and high school baseball), and Bee Wright Sports (operated by Shawn Beeson, with USSSA Softball). Together, we aim to maximize the use of these facilities for a wide range of baseball and softball events, fostering community engagement and athletic excellence.

Our partners are committed to providing high-quality, well-organized sporting events that will draw participants and spectators to Joplin, fostering economic growth and community pride. We are excited about the opportunity to manage these outstanding facilities and look forward to working with the City of Joplin to ensure their continued success.

Thank you for considering our proposal. Please feel free to contact me if you require any additional information or have questions regarding our qualifications or plans for the stadiums.

To Whom it May Concern,

I am writing this letter of recommendation for Mike Greninger to be considered for the lease of Joe Becker Stadium and Wendell Redden stadium for the next three years. I have had the pleasure to work with Mike, as our school New Heights has leased from him the past several years. Through the time we have leased fields through Mike for baseball and softball he has been great to work with. Mike has communicated well with us, and ensured we would have a field to practice or play on throughout our spring baseball season. Mike is a dedicated community member who wants the best for the patrons of Joplin and the surrounding communities. I would recommend for Mike to have the opportunity to continue his service in the Joplin community through the leasing of the above mentioned facilities.

To Whom It May Concern,

I am pleased to write this letter of recommendation for Mike Greninger, owner of Parkwood Tournaments. I have had the opportunity to work with Mike over the past several years through our partnership at the Joplin Athletic Complex, where Parkwood has hosted both our Fall softball tournament and through multiple summer baseball tournaments at the Joplin High School Baseball Field.

Throughout our working relationship, Mike has been dependable, professional, and easy to collaborate with. He consistently communicates well, follows through on commitments, and works to ensure that events run smoothly for all involved. From scheduling and coordination to game-day operations, Mike has demonstrated a steady and organized approach that makes him a valued partner.

Our experience hosting Parkwood events at our facilities has been positive. Mike and his organization have shown respect for our facilities, staff, and the overall event experience, which is critical when managing large-scale tournaments. His ability to build and maintain strong relationships has contributed to the continued success of these events.

To Whom It May Concern:

I am writing this letter of reference regarding working with Parkwood Tournaments and, in particular, Mike Greninger during the last few years with the facilities of Joe Becker Stadium, Joplin Athletic Complex Bassman Softball Complex as well as Wendell Reddin Stadium.

Joplin Sports Authority has rented the facilities and coordinated the schedule of rentals with Mike Greninger and Parkwood Tournament for some of our collegiate championship events such as Region XVI Junior College Baseball Tournament (almost annually), The Kansas Collegiate Athletic Conference (KCAC) and this year the Sooner Athletic Conference Championship. Those events have predominately been staffed by JSA and the individual conferences and institutions personnel in conjunction with the coordination of the game times, concessions, practice times and custodial with Mike Greninger and the Parkwood Tournaments.

Mike has been very helpful and responsive to issues that have arisen in several instances with issues such as inclement weather and facility concerns such as custodial and some facility maintenance.

City of Joplin

Paul Bloomberg

As previous Mayor of Joplin, I have seen firsthand the positive economic impact that Mike Greninger and his partners have delivered to the city through youth, high school softball and baseball tournaments. Their efforts have not only brought in visitors and revenue but also fostered a sense of community pride and engagement. I believe it would be a wise choice for Mike Greninger to continue working with the city, supporting initiatives that benefit our residents and local businesses.

To Whom It May Concern,

I am writing to express my support for Mike Greninger in connection with his contract with the City of Joplin. During my two-year tenure as President of Joplin Little League, I had the opportunity to work closely with Mike in coordinating field scheduling and, on multiple occasions, making our fields available to support his programming needs. Through these interactions, I came to appreciate his professionalism and commitment to serving the community.

Mike consistently demonstrated a high level of courtesy, organization, and communication in all of our dealings. Whether coordinating complex schedules or working through logistical challenges, he approached every situation with a positive attitude and a solutions-oriented mindset. His outgoing nature and willingness to collaborate made him a valuable partner, and his efforts contributed meaningfully to the success of youth baseball activities in our area.

Based on my experience, I fully support Mike Greninger's continued relationship with the City of Joplin. He has proven himself to be dependable, community-focused, and dedicated to providing quality opportunities for local residents. I am confident he will continue to be an asset in his role, and I respectfully encourage your favorable consideration.

Paul Bloomberg, Parks Director
City of Joplin
3301 West 1st Street
Joplin, MO 64801

Dear Mr. Bloomberg,

I am writing to express the interest of the Frontier League to place a team in Joe Becker Stadium. We are prepared to issue an expansion membership to an ownership group representing Joplin to begin play as soon as the 2027 season.

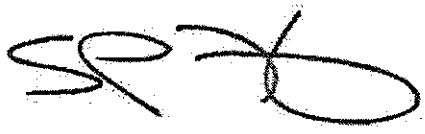

The conversations we are having in Belton, Missouri, along with other communities with whom we are speaking make Joplin a realistic market for the Frontier League. The long-term success of similar markets, most notably Evansville, Indiana, where we have been playing since 1995, leads me to believe that Joplin could be a successful operation for many years.

The Frontier League is classified as a Major League Baseball Professional Partner League. We have official ties to MLB on both the baseball and marketing sides. We are the largest and longest running Partner League, having 18 teams and playing since the 1993 season. I am in my 30th season in the Frontier League, previously serving as general manager for four markets before shifting to the league office in 2009.

The Frontier League supports the efforts of David Schmoll and his partners to bring professional baseball back to Joplin. I have personal experience with David during his time running the River City Rascals. I am confident that David has the knowledge and experience to run an organization of which the Joplin community will be proud.

Please let me know if I can supply any additional information. I am glad to meet with you and any other city representatives, either virtually or in person.

Thank you,

Steve Tahsler, Commissioner
Frontier League
