REVIEWED BY
Director of Public Works, Daniel Johnson; Director of Finance, Leslie Haase; City Attorney, Peter C. Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

SUMMARY
This Council Bill approves an amendment to work authorization AMA-OC23-019 with Allgeier, Martin and Associates, Inc. (AMA), for the MS4 Permit & Floodplain Management Support project in the not to exceed amount of One Hundred Thousand and no/100 Dollars ($100,000.00).

BACKGROUND
Since approval of Council bill 2023-151, AMA has assisted staff with Municipal Separate Storm Sewer Systems (MS4) reporting, plan finalization and renewal of the City's permit from the Missouri Department of Natural Resources (MoDNR). Sarah Simon, PE with AMA has assisted staff with updating forms and documentation processes, as well as, providing direct support during the 2023 report which was completed and submitted to MoDNR in September. Dr. Patterson, PE with AMA has provided floodplain management support thus far; moving forward, he will be spearheading the effort to submit a Letter of Map Revision ("LOMAR") request to the Federal Emergency Management Administration (FEMA) for the regional stormwater management facility built along Murphy Blvd., between E. 15th and E. 20th Streets. The LOMAR work involves establishing the 100-year base flood elevation in conjunction with the updated FEMA model. The consultant's fees are within industry standards for studies of this nature.

FUNDING SOURCE
This item includes a budget amendment to the Stormwater fund.

RECOMMENDATION
Staff recommends adoption of this Council Bill on First Reading.
