STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

Even though this property is currently zoned two-family residential, the lot facing Grand Ave. is a vacant lot and there is an existing old vacant neighborhood grocery store located to the west across the alleyway. The request is consistent with the policies of the comprehensive plan and the recommendation of the future land use map which recommends a commercial land use.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The properties in this request are currently zoned two- family residential which will not permit the reuse of the old neighborhood grocery store or the vacant lot for off-street parking.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The greatest impact will be to nearby residences, but both properties in this request are located along an arterial street that contain higher traffic volumes than residential streets. Also, there is currently a C-1 district with a strip center located to the west less than one block away. The impact of the traffic and commercial uses have already been felt by the adjacent residential neighborhood.

DISCUSSION

Staff believes the request for a C-1 district is appropriate for this location. First, the C-1 district is a neighborhood commercial district which is intended to serve the immediate area and neighborhood. Uses in the C-1 district tend to be "lighter" commercial uses and have limited hours of operation and are better neighbors to residential areas. The proposed nail salon will be a good reuse of the old vacant commercial building located at 407 E. 20th St. while the vacant lot at 411 E. 20th St. can be used for off street parking.

Staff recommends approval of Case 019-19.
