To whom it may concern,

The reason for rezoning is so that the we can restore the original residential living space back to residential space. I do not believe the proposed change will impact any traffic conditions or fire hazards. As far as affecting the surrounding properties and benefiting the City of Joplin I feel like it will benefit both just by restoring buildings that have been vacant for close to 10 years. Instead of having vacant buildings that will continue to break down and become more dilapidated it will provide a spark and bring commerce and functionality to a vacant section of Main St.
