SUMMARY
This Council Bill approves an agreement by and between the City of Joplin and CMT for Bidding, Design and Construction Administrative Services not to exceed the amount of Sixty-One Thousand Five Hundred Seventy-Seven and 27/100 Dollars ($61,577.27).

BACKGROUND
This agreement provides engineering services for the replacement of the ALCMS at the Joplin Regional Airport. This project is funded through a Bipartisan Infrastructure Law (BIL) Grant that was awarded to the airport earlier this year and provides 100% of the estimated project cost. This includes replacing all hardware and software with a new comprehensive system. Fiber optic cables between the control tower and airport electrical vault will also be replaced. The cost of these services is covered under the BIL Grant with 100% federal funds. CMT was selected from a Request for Qualifications

FUNDING SOURCE
This Council Bill includes a budget amendment increasing revenue for the grant amount of $61,577.27 and increasing expenses for the total project cost of $61,577.27.

RECOMMENDATION
Staff recommends adoption of this Council Bill on an Emergency basis, being an ordinance related to public improvement, within the meaning of Section 2.12(6) of the Home Rule Charter of the City of Joplin, Missouri, and, as such, this Ordinance shall become effective immediately upon its passage. Specifically, this council bill needs to be approved to allow construction to be completed within funding time limitations which includes an August 12, 2023 deadline.
