REVIEWED BY
Director of Public Works, Daniel Johnson; Director of Finance, Leslie Haase; City Attorney, Peter Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

SUMMARY
This Council Bill approves a construction agreement between the City of Joplin and Goins Enterprises, Inc. for the Tin Cup Lift Station and Pressure Line Improvement Section 1 (Lift Station) in the amount of One Million, Seven Hundred Seventy-Seven Thousand, Seven Hundred and 00/100 DOLLARS ($1,777,700.00).

BACKGROUND
On June 3, 2024, Council approved a Work Authorization with AMA prepare bid documents for upgrades to the Tin Cup Lift Station and the installation of the eastern half of a 24-inch diameter parallel force main between the Tin Cup and Filmore Bridge lift stations. These upgrades were recommended in the 2020 Wastewater Facility Plan to increase the pumping capacity of the Tin Cup Lift Station, to reduce the frequency of sanitary sewer overflows along Glendale Road, and to renew the reliability of the force main.

The project was advertised on June 29th, 2024; bids were opened on July 23, 2024, in accordance with the City's procurement policy. Two bids were received for this Section of the work; Goins Enterprises submitted the lowest bid, which was below the engineer's estimate. See the attached Summary of Bids for reference.

FUNDING SOURCE
This is included in the FY 2024 Budget in the Sanitary Sewer Fund

RECOMMENDATION
Staff recommend approval of this Council Bill on first reading.
