Originating Department: Public Works – Engineering

Attachments: 1) Location Map
2) Original Contract
3) Council Bill No. 2017-146

Department Head: David K. Hertzberg
Finance Department: Leslie Haase
City Attorney: Peter C. Edwards
City Manager: Samuel L. Anselm

Recommended Action: Approval of the contract with Olsson Associates, Inc., for professional engineering consulting services for Main Street 11th to 15th Street improvements not to exceed amount of $169,208.00.

Background: This project is located between the streetscape projects on Main Street between 1st Street to 8th Street and 15th Street to 32nd Street. This project is to design street improvements to match the improvements to south of the proposed project. Selection process was used in 2016 and was awarded by council on council bill 2016-136.

Discussion: Funds have been made available by the Federal Highway Administration through its Demonstration Project Program and Surface Transportation Program, coordinated through the Missouri Department of Transportation, the City intends to improve the sidewalk, curb and gutter, lighting, and existing storm sewer on Main Street between 11th and 15th Streets and requires professional engineering services. Olsson will provide the City with professional engineering services for the planning, design. Engineering services is within the industry percentage for design. Total cost of $169,208.00 for this project will be paid first by Missouri Highway and Transportation Commission in the not to exceed amount of $93,447.51 with the

remainder split between the state and the city. With 80% from available STP funds and 20% from local funds estimated for $15,152.10

.

Recommendation: City staff recommends that Approval of the contract with Olsson Associates, Inc., for professional engineering consulting services for Main Street 11th to 15th Street improvements not to exceed amount of $169,208.00 be approved on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
