Structure Fire, 1505 N Euclid, Joplin, MO. - Hampshire Pet Products

The Joplin Fire Department responded to a residential structure fire, 1505 N Euclid, at 11:34 PM, Thursday, 11 August. Crews arrived on scene at 11:39 PM to find a one story wood framed residential with moderate smoke showing from the roof and eaves. Crews entered the structure via the front door and extinguished the fire around a water heater.

Crews remained on scene until 1:43 AM, Friday.

No injuries were reported to either fire personnel or bystanders. 6 Joplin Fire units and 16 Joplin Fire personnel responded, as well as JPD and METS.

The house was rented by Josh Lannum and owner by Orris McCauley. No one was home at the time of the fire.
