BACKGROUND:

This is a public hearing to discuss the proposed fiscal year 2017-2018 property tax levy for the City of Joplin and for the affirmation of the tax levy of the Joplin Public Library District. The maximum authorized property tax levy is 54.0 cents and the CPI is 2.10% based on calculations by the State Auditor's office. The property tax of the City of Joplin represents a very small portion of the overall property tax liability for the citizens of Joplin. Property tax provides approximately 1.7% of the general government revenue and is used to fund a portion of Health, Parks, and Solid Waste activities.

Staff is recommending the acceptance of the amount calculated utilizing the State Auditor's worksheet, which represents an increase in the City property tax rate from $.1794 to $.1797. The library rate will remain the same at $.2545 as set forth by Missouri Statute. The total rate will be $.4342 per $100 of assessed valuation, which is up from $.4339 for last year. Property tax is expected to generate $1,041,222 for the City and $1,298,873 for the library. The property tax for a home with an assessed valuation of $100,000 will be $82.50 for both the city and the library portion of the property tax. This represents an increase of $.06 on a home with an assessed valuation of $100,000.

DISCUSSION:

The City of Joplin will levy a property tax of $0.1797 per $100 assessed valuation and the Library District will levy a tax of $0.2545 per $100 assessed valuation.

According to preliminary assessment valuations for 2018 released by the County Clerk's Offices of Jasper and Newton Counties, the assessed valuations for each county for the city are:

	2017	2018
Jasper County	$446,876,385	$452,900,013
Newton County	145,440,015	150,664,869
Total – Both Counties	$592,316,400	$603,564,882

The property tax rate must be set by ordinance by September 1st of each year.
