FINALIZATION OF CONSENT AGENDA

REPORTS AND COMMUNICATIONS
News from the Public Information Office
The public is invited to attend an open house for Ewert Splash Park, where Olsson Engineering with the city's design team will unveil design concepts for the park's renovation project. Conceptual renderings will be shown to receive public feedback. This event will be held September 10th from 6:00 to 8:00 pm at the Joplin History and Mineral Museum, located within Schifferdecker Park.

The public is invited to attend a dedication ceremony for Senator Ron Richard Memorial Park. The Campbell Parkway trail and park will be renamed in Senator Richard's honor for his contributions to the community, including his effort while serving on the Joplin City Council, notably as Mayor, to construct trails in Joplin. He was a true Joplin trailblazer! The dedication ceremony will be held on Friday, September 13th, beginning at 11:00 a.m. The ceremony will be at the south end of the parkway, near the intersection of 15th Street and Campbell Parkway.

If you want to bid on the city's excess surplus, we encourage you to attend the City of Joplin's annual auction. You might be able to get some cool stuff for cheap! The auction will be held Saturday, September 14th, at 9:30 am at the Public Works Center at 1301 West 2nd Street. The list of items to be auctioned will be published tomorrow, September 4th, and the items will be available for review before the auction on Friday the 13th from 1:00 to 3:00 pm and then Saturday from 8:00 am until the auction begins at 9:30.

The Joplin Homeowner Rehabilitation Program is underway, and many applications have been received. You may qualify for this program if you own and reside in your single-family home inside one of four qualifying census tracts. Homeowners could receive up to $25,000 for qualifying home repairs, including roof replacement, HVAC upgrades, windows, siding, and more.

Apply today by contacting the Economic Security Corporation, the city's partner in administrating the program.

The city is hiring. Here are two jobs the city's Human Resources is trying to fill urgently. First, the transit division of Public Works is hiring dispatchers and drivers. If you want to help people get where they need to go daily, these may be your jobs!

Also, the city's 911 dispatch center must fill several open positions for emergency dispatchers. These jobs are formally known as Public Safety Communications Operators, and they are for people who want to help talk others through their moments of crisis and send help by dispatching first responders. These jobs have excellent benefits, including complete medical, dental, and vision plans, a city-paid pension, paid leave, and many more benefits. Find these and other job postings and how to apply at joplinmo.org/jobs.

If you're looking for a volunteer opportunity that allows you to serve your community and make a lasting impact, the City of Joplin needs volunteers to serve on multiple boards and commissions. To learn more about city boards and commissions, or apply to serve on one, go to Joplinmo.org, under the Government drop-down.

While visiting Joplinmo.org to look at the job bank, consider serving on a board or commission, or seek other city services, you might have an opinion on navigating the city's officials' website. Your input will help us improve what we deliver through digital media, so please take the website survey available through the QR code on the screen or from the City of Joplin Facebook page.
