STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map does indicate future low-density residential; however, the comprehensive plan does call for a mix of housing types and residential uses along this corridor.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

R-1 zoning is suitable for this property.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change to R-2 will not detrimentally affect nearby property. R-2 uses are still able to maintain the character of low-density residential. Additionally, some nearby property, both directly abutting and in the general vicinity along the 26th St. corridor are presently zoned R-2 or C-O.

DISCUSSION

The applicant is requesting a rezoning from R-1 to R-2. The R-2 district permits all uses within the R-1 district, as well as two-family residential, or duplexes. These generally maintain the character of low-density residential, and the City's comprehensive plan does call for a mix in residential uses along this corridor.

Staff recommends approval of Case 037-21.
