Finance Department: Leslie Haase	Date:
City Attorney: Peter C. Edwards	Date:
City Manager: Samuel L. Anselm	Date:

Recommended Action: Approval of Resolution No. 2015-014

DISCUSSION:

The following is a resolution that authorizes the filing of the Fifth Partial Action Plan for the Second Round of the City of Joplin's Community Development Block Grant Disaster Recovery (CDBG-DR) Program through the U.S. Department of Housing and Urban Development (HUD). Partial Action Plan #5 adds the Community Clinic of Joplin, the Juvenile Detention Center, and the Ozark Mental Health Services Activities. The following three projects were approved by City Council as part of the Capital Plan on July 6, 2015.

Immediately after the disaster, the Community Clinic served as a triage area for health services. The clinic also provided first aid to patients, replaced medications, and acted as a respite location for healthcare workers who were working at Memorial Hall. Due to the increased volume of patients following the storm, deterioration has occurred faster than anticipated. Rapid damage and wear to the facility has occurred. The proposed funds will assist with rehabilitation of the floors, interior paint, and furnishings of the exam and waiting rooms as well as the parking lot. This amendment will fund the project for $241,000.00.

The Juvenile Detention Center in Joplin proposes the implementation of a multi-disciplinary approach to creating interventions that are individualized and less punitive, rather than locking the juvenile offender in a detention cell. The Jasper County Juvenile Court intends to implement more interventions to better serve the disaster affected juveniles and their families. With the additional funding, the Center plans to hire two paraprofessional teacher's aides and one qualified mental health professional to provide evaluations and increase programming needs. This Amendment will fund the project for $350,000.00.

The Ozark Mental Health Center will provide in-patient and out-patient mental health services to children and adults within the Joplin LMI population who suffer from conditions related to the

May 2011 tornado. These conditions include post-traumatic stress disorder, anxiety disorders, depression, and substance abuse. Care will be provided to both uninsured and underinsured LMI individuals. This Amendment will fund the project for $110,000.00.

Therefore, the proposed amendment to Partial Action Plan #5 will add $701,000.00 to the Community Clinic of Joplin, the Juvenile Detention Center, and the Ozark Mental Health Services. The Activities are to be completed by January 2018. Notice of the amendment has been posted. Any public comments received will be shared with City Council. If approved, the amendment will be forwarded to HUD for their forty-five day review.

Activities	**Partial Action Plan #5**
Community Clinic of Joplin	$241,000.00
Juvenile Detention Center	$350,000.00
Ozark Mental Health Services	$110,000.00
Sub Total	**$701,000.00**

RECOMMENDATION:

The staff recommends adoption of this Resolution 2015-014.
