# COUNCIL AGENDA ITEM

**ITEM**
Council Bill 2024-120 Work Authorization for the Wastewater Collection System Rehabilitation Toolbox Project

**MEETING DATE**
September 16, 2024

**ORIGINATING DEPT**
Public Works - Engineering

**ATTACHMENTS**
CB 2024-120 Ordinance; Authorization AMA-OC-024-006

**REVIEWED BY**
Director of Public Works, Daniel Johnson; Director of Finance, Leslie Haase; City Attorney, Peter Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

**SUMMARY**
This Council Bill will approve a work authorization with Allgeier, Martin and Associates, Inc. for project management, design, and field services on the Wastewater Collection System Rehabilitation Toolbox Project not to exceed the amount of Two Hundred Thirty-Seven Thousand and 00/100 DOLLARS ($237,000.00).

**BACKGROUND**
Since 2013, AMA has played a vital role in the success of the City's annual evaluation and rehabilitation program, which has improved the reliability of the sanitary sewer collection system. Under their current Work Authorization (WA), AMA has supported City staff in the planning and construction administration of Ace Pipe Cleaning's most recent work orders. AMA's tasks included assisting City staff with planning and managing collection system rehabilitation work, developing maps of the same, along with supplying information to City staff for periodic reports to the Missouri Department of Natural Resources regarding renewal of the sewer system and the removal of excessive Inflow and Infiltration (I&I) within the collection system. Under this new WA, AMA will continue providing technical support of renewing the City's sanitary sewer collection system; they will also prepare bid documents for a new multi-year contract, for Council's approval in the coming months. AMA was selected as the on-call engineering firm most qualified to provide these professional engineering services. The consultant's fees are within industry standards.

**FUNDING SOURCE**
These payments are included in the FY 2023-2024 budget of the Wastewater fund.

**RECOMMENDATION**
Staff recommends approval of this Council Bill on first reading.
