Airport Manager:	Steve Stockam	Date:
Department Head:	Nick Heatherly	Date:
Finance Department:	Leslie Haase	Date:
City Attorney:	Peter Edwards	Date:
City Manager:	Sam Anselm	Date:

Recommended Action: Approval of an Agreement by and between the City of Joplin and Capitol Paving and Construction, LLC for the construction of a Taxiway "C & F" at the Joplin Regional Airport on an emergency basis.

Background: In early April of 2015 the FAA directed the Airport to develop the projects for Taxiway "C" (B) Relocation and the new Taxiway "F" (N) to run simultaneously. Both projects are considered the highest priority under the new Airport Master Plan. In June 2015 the FAA issued the Joplin Regional Airport a Grant for the engineering design work for both proposed project.

The engineering firm of CMT was selected to design the project and Council approved that contract in June of 2015. CMT then designed and bid the project on May 1, 2015. Capitol Paving and Construction was the low bidder on the project. CMT reviewed the bids and recommended award of the contract Capitol Paving. FAA concurred.

Discussion: The FAA has issued a Grant for the project and all the cost for this construction agreement will be paid from the Grant based on a 95/5 Federal/Local share. This contract amount is $5,550,026.52. The Local Share will be approximately $265,535.25 to be paid from the Airport fund.

Recommendation: Staff recommends approval of the agreement by and between the City of Joplin and Capitol Paving and Construction for the construction of Taxiway "C & F" at the Joplin Regional Airport on a emergency basis to meet the construction timeline.
