MEETING DATE
October 6, 2025

ORIGINATING DEPT
Public Works – Engineering

ATTACHMENTS
CB2025-142 Ordinance, Amendment #1 to Work Authorization OLS-OC24-001

REVIEWED BY
Director of Public Works, Daniel Johnson; Director of Finance, Leslie Haase; City Attorney, Peter Edwards; Assistant City Manager, Tony Robyn; City Manager, Nicholas Edwards

SUMMARY
This Council Bill authorizes the City to approve an Amendment to Work Authorization OLS-OC24-001 with Olsson in the not to exceed amount of Sixty-One Thousand One Hundred Fifty and 00/100 dollars ($61,150.00) for professional engineering consulting services for the 7th Street Sanitary Sewer Relocation Project.

BACKGROUND
The Missouri Department of Transportation (MoDOT) is proceeding with improvements to Route 66 (7th Street) through Joplin, between Schifferdecker Ave. and Rangeline Rd. On March 6, 2024, the city council approved work authorization OLS-OC24-001 with Olsson to design the relocation of sanitary sewer outside the Route 66 pavement in advance of MoDOT's improvement project. This amendment covers: (1) Real Estate Acquisition to negotiate the acquisition of right of way necessary to construct the sanitary sewer lines that need relocation as part of MoDOT's improvements project and (2) Railroad Submittal for Olsson to coordinate the submittal of final plans to Genesee & Wyoming (Railroad) including the completion of all forms and payment of all fees required by the railroad. The fees submitted by Olsson have been reviewed by the City staff and are found to be within the industry standards.

FUNDING SOURCE
This is included in the FY 2025 Budget in the Sanitary Sewer Fund.

RECOMMENDATION
Staff recommend approval of this Council Bill on first reading.
